

September 2023

Dear Parent/Carer

The focus of the PE department is the enjoyment and sporting progress of students in PE lessons through curriculum and enrichment time. Our objective is to engage students in physical education activities and provide them with a drive to sustain life-long involvement in Sport.

I am writing to remind you of the procedure in relation to student valuables. The PE staff will not accept responsibility for the safe keeping of students' valuables during PE lessons. This decision has been based on a small number of incidents, where valuables have gone missing during curriculum or enrichment time. PE staff will take no responsibility for items that have been left either in the changing rooms or on the student in person.

In light of this, we do not encourage students to bring into the Academy items that are of any significant value or are likely to be missed if lost during the Academy day. In addition, students are recommended to get a locker to store valuables if needed – this can be arranged via form tutors.

Thank you for your ongoing support.

Yours sincerely,

Mr J Lane
Lead Teacher of Physical Education
